About Habberjam Mechanical Inc.:

Habberjam Mechanical Inc. is a mechanical contracting company based in Edmonton, Alberta, specializing in residential and commercial plumbing and mechanical services. The company provides new construction, service and maintenance, tenant improvements, and energy-efficient plumbing solutions, delivering quality workmanship backed by over 20 years of industry experience.

Job Description

Main Duties (NOC 72300 – Plumber):

- Read blueprints, drawings and specifications to determine layout of plumbing system, water supply network and waste and drainage systems
- Install, repair and maintain domestic, commercial or industrial plumbing fixtures and systems
- Locate and mark positions for pipe connections, passage holes and fixtures in walls and floors
- Cut opening in walls and floors to accommodate pipe and pipe fittings
- Measure, cut, bend and thread pipes using hand and power tools or machines
- Join pipes using couplings, clamps, screws, bolts, cement or soldering, brazing and welding equipment
- Test pipes for leaks using air and water pressure gauges
- May prepare cost estimates.
