Reporting to the Depositing/Tunnel Oven Team Leader, a Team Member – Rack/Tunnel Oven is responsible for the efficient operation of the Oven and baking process. Baking process includes: loading oven, choosing the correct oven setting, and transporting baked product to cooling area.

In this position you will work in a team environment led by a Team Leader. You will support your Team Leader by demonstrating and practicing team work every day and respect all your fellow Team Members.

Duties:
• Responsible for the setup, adjustment, and safe operation of industrial tunnel ovens functions in a manufacturing bakery setting
• Operator must be able to follow a production schedule

• Setup oven at proper temperatures to bake product and continually monitors and ensure that product shape and bake is to specification
• Check bake products to ensure conformance to company standards and clear machine blockages as required
• Communicate quality or processing issues to proper personnel, including Leaders
• Maintain machinery, perform corrective machine adjustment, and maintain surrounding area in good clean operating condition
• Ensure that a safe working environment is maintained at all times by enforcing Company standards and following up on regular inspections
• Reports any equipment malfunctions to the proper personnel
• Handle hot racks coming out of the ovens appropriately in accordance to procedures to prevent injuries
• Record rework, scrap, downtime & temperature data on supplied worksheets
• Follow all GMP’s, Food Safety, and Health and Safety Procedures as outlined by FGF Brands
• May be asked to work a General Labor role when needed as well as be assigned additional duties

Requirements:

• Completion of secondary school is required.
• Previous experience working in a food/bakery manufacturing environment
• Accuracy and attention to detail and the ability to detect the presence of a quality issue
• Good communication skills, along with simple mathematical abilities
• Ability to work independently with minimal supervision
• Physically capable of performing the demands of the role, including lifting 50 lbs.
• Ability to move from one task to another with minimal distraction
• Flexible to work days, afternoons, nights & weekends if needed
• Be able to work in rather hot environment
