Job Details

Magnum Roofing Ltd. is hiring! Located at 953 Drayton Street, North Vancouver, BC V7L 2C5, with more than 20 years of experience in the industry, we take pride in delivering high-quality roofing services, including Torch-on roofing installation, shingle roofing, and general roofing repairs.

We use top-quality materials and the latest industry techniques to ensure the best results. Our team of skilled tradespeople is committed to excellence and strong work ethics.

We are currently seeking a Roofer Supervisor to join our team. The ideal candidate should be able to work at heights, lift heavy materials, handle physically demanding tasks, and demonstrate strong attention to detail. Additionally, they should have good time management skills, be reliable and dependable, and work well in a team environment.

If you meet the qualifications and are interested in becoming part of our team, please apply by sending your resume to magnumhiring@outlook.com, we’d love to hear from you!

Job Description

Position: Roofer Supervisor
Number of positions available: 1
Work Hours: 40 hours per week
Wage: $38.50/hour
Employment Type: Full-time
Start date: ASAP
Vacation time: As per law
Work Location: Multiple locations across the Lower Mainland of BC.
Language of work: English

Key duties and Responsibilities

• Oversee and organize the day-to-day work of roofers, shinglers, apprentices, and general labourers, ensuring tasks are

properly assigned and completed.
• Plan and implement effective work procedures and timelines to ensure roofing projects are completed efficiently and within established deadlines.
• Inspect work in progress and finished projects to ensure compliance with blueprints, specifications, and building codes.
• Ensure all crew members use personal protective equipment (PPE) and strictly follow fall protection and workplace safety regulations.
• Estimate, requisition, and manage required roofing materials, tools, and equipment for each job site to minimize waste.
• Identify on-site structural issues, delays, or technical problems and implement immediate solutions.
• Co-ordinate work activities with general contractors, architects, or other trade subcontractors to prevent scheduling conflicts.
• Train new workers and apprentices in specific roofing techniques, equipment operation, and company policies.
• Prepare progress reports, track crew work hours, and maintain daily logs on project status and budget.
• Oversee the proper maintenance, inspection, and safe operation of tools, scaffolding, ladders, and machinery.

Requirements for the job

• Completion of secondary school is required.
• Need Vehicle as many locations no transit.
• Valid Drivers Licence.
• 3-4 years experience in Torch On Flat Roofing.
• Own Tools for Use including Torch, Harness and Fall Protection Gear
• Ability to work at heights and lift heavy materials.
• Attention to detail.
• Client-focused, time management, and reliable.
• A team player with a strong work ethic.
