Job Description

Operate and drive straight or articulated trucks to transport goods and materials safely and efficiently.

Conduct pre-trip, en-route, and post-trip inspections and oversee all aspects of the vehicle.

Inspect tires, lights, brakes, cold-storage systems, and other vehicle equipment.

Load and unload goods and ensure the safety and security of cargo.

Record cargo information, hours of service, distance travelled, and fuel consumption.

Receive and relay information to central dispatch and follow assigned routes and schedules.

Arrange travel-related itineraries and reservations when required.

Perform preventive maintenance, brake adjustments, and emergency roadside repairs as necessary.

Prepare and maintain inspection, trip, accident/incident, and maintenance reports.

Provide professional customer service and address customer concerns when required.

Use GPS and other navigation equipment for local and regional transportation.

Work independently or as part of a two-person driving team or convoy when required.
