Job Details

Gould Mechanical is looking for a Full-Time Sheet Metal Worker (NOC 72012)! This is a full-time, permanent position with 40 hours per week, $32.00/hour, with benefits.

Job Description:

• Read engineering and architectural drawings, sketches and work specifications to be performed, and lay out, measure and mark sheet metal according to drawings or templates

• Operate light metalworking machines such as shears, brakes, punches, and drill presses, including computer numerical control (CNC) equipment to cut, bend, punch, drill, shape or straighten sheet metal

• Operate computerized laser or plasma cutting equipment to cut sheet metal

• Install and use rigging and hoisting equipment

• Fit and join sheet metal parts using riveting, welding, soldering and similar equipment to fabricate products such as ventilation shafts, exhaust hoods, eavestroughs, partition frames, air and heat ducts, material handling systems, roof decking and sheet metal buildings

• Install sheet metal products according to specifications and building codes

• Grind and buff seams, joints and rough surfaces

• Inspect product quality and installation to ensure conformance to specifications.

Job Requirements:

• Completion of apprenticeship program OR a combination of over four years of work experience in the trade and some high school, college or industry courses in sheet metal working

• Language in the workplace is English

We also offer:

• Mileage pay when you use your own vehicle

• LOA Live Out Allowance for out-of-town work

• Benefits after 3 months: dental, extended health, vision, disability

Job Location:

Various project sites in the Okanagan region in BC. Office located at 1919 Dayton Street, Kelowna, BC V1Y 8A7

To Apply:

To those interested please email your resume to admin@gouldmechanical.ca. Please indicate on the email subject that you are applying for the Sheet Metal Worker position.
