Job Details

Ecklands Denture Clinic is looking for a Full-Time Dental Technician (NOC 32112)! This is a full-time, permanent position with 35-40 hours per week, $31.73/hour, with benefits.

Job Description:

• Design, fabricate, modify or repair dental devices including full or partial dentures

• Ensure proper handling and control of hazardous materials, and adhere to laboratory infection control procedures as required.

• Consult with dentists or other specialists on problematic dental cases

• May conduct research in the science, techniques and practice of dental technology

• May perform administrative functions for the dental laboratory.

Job Requirements:

• Completion of a college program in dental technology OR 4+ years of on-the-job training under the supervision of a registered dental technologist or technician.

• Must have a strong background in removeable dentures

• Must be able to work in a fast-paced environment and have a keen eye for detail

• Language in the workplace is English

Benefits:

• Health spending account after 3 months

Job Location:

Ecklands Denture Clinic – 1142 Main Street, Smithers, BC V0J 2N0
