Job Details

Harji Exterior Finishing Ltd. is an exterior finishing and construction company specializing in siding, cladding, stucco, and related exterior carpentry work for residential, multi-family, and commercial buildings. The company is known for delivering durable, well-executed exterior solutions and maintaining a strong focus on workmanship and client satisfaction.

Due to ongoing project requirements, we are currently seeking two full-time Plasterers to join our team. The successful candidates will be responsible for applying stucco and plaster coatings to exterior wall surfaces, preparing substrates, installing corner beads and weatherproofing components, and ensuring a smooth, durable, weather-resistant finish on residential, multi-family, and commercial buildings.
This position is well suited for individuals who take pride in hands-on construction work, value quality craftsmanship, and are seeking stable, long-term employment with a company that recognizes skill, reliability, and attention to detail.
