Job Description

Operational Planning & Leadership (80% Time Spent)

- Manage the day-to-day operations of the housekeeping department, ensuring service delivery meets or exceeds client and company standards.
- Plan, coordinate, and oversee the activities of housekeeping supervisors, lead hands, and their crews across assigned sites/shifts.
- Conduct routine and ad-hoc inspections of all areas (floors, stairways, carpets, washrooms, lobbies, offices, common areas) to ensure departmental standards, contractual obligations, and health and safety regulations are being met.
- Develop, implement, and continuously improve cleaning procedures, checklists, and quality assurance programs in

alignment with Policies and Procedures.

- Lead departmental meetings, daily huddles, and toolbox talks; ensure consistent communication of priorities, changes, and safety information.
- Perform supervisor or lead hand duties on a relief basis to ensure departmental coverage during absences or peak demand.
- Step in to perform cleaning and maintenance tasks during staff shortages or to ensure timely completion of critical work.
- Hire, onboard, train, mentor, and supervise housekeeping staff at all levels.
- Set clear performance expectations, conduct performance reviews, and manage progressive discipline in partnership with HR.
- Build a positive, respectful team culture; handle stressful situations calmly and maintain a constructive attitude.
- Identify skill gaps and coordinate ongoing training (WHMIS, equipment use, chemical handling, infection prevention, customer service).

Scheduling, Budget Inventory & Administration (20%)

- Prepare and maintain employee schedules; arrange replacements in cases of absence and approve shift changes.
- Assign and direct daily work; ensure tasks delegated to supervisors and lead hands are efficiently completed.
- Maintain accurate financial and operational records; prepare and submit, timesheets, and task sheets.
- Complete reports as requested by the Operations Manager (productivity, labour hours, incidents, quality audits, client requests).
- Discuss concerns, escalations, and improvement opportunities with the Operations Manager.
- Manage the housekeeping department budget; monitor labour, supplies, and equipment costs against targets.
- Maintain equipment by ensuring cleaning, lubrication, and replacement of items such as filters, vacuum bags, and belts; ensure team reports maintenance issues and safety hazards promptly.
